

## Before sending a nude, consider...

- Do I want to send this nude? (Think about why you want to send it)
- Do I trust the receiver/s?
- Am I identifiable in this picture? (Can you see my face? Tattoos? Birthmarks? Jewellery? Background? Uniform?)
- Does the person consent to receiving this?
- Have I thought about what might happen if the images get shared with others?
- Will I feel okay about this decision tomorrow?
